Home Builders'
Association**

This document provides a status report on the major external provincial housing issues that are currently being addressed or monitored by the Ontario Home Builders' Association. This updates the previous status report prepared in Fall 2008.

Each issue is described under the OHBA standing committee chiefly responsible for it. This status report is intended to provide members with a sense of the agendas of each of the various committees. The ordering of issues within the status report does not reflect their relative importance.

The Housing Issues Status Report was compiled by the OHBA staff. For further information contact Michael Collins-Williams, Director of Policy at 1-800-387-0109 or mikecw@ohba.ca.
